

If your security solution doesn't increase sales, you need One that does.

We've redesigned PODs from the inside out, and the result is a new product platform that elevates the customer experience, improves operational efficiency and has a consistent look across all

stands. And with advanced data and analytics, OnePOD™ enables you to maximize every sales opportunity, at every store, and every display — every day. That's the Power of OnePOD.

---

## Don't let thieves design your customer experience.

### ONE DESIGN

For consistent storewide visual merchandising.

### ONE EXPERIENCE

Delivering an inviting and meaningful customer experience even in a high security environment.

Enabling you to engage customers with high value accessory cross-merchandising.

### ONE PLATFORM

One common platform that allows you to control where and how much security is needed.

### ONE KEY

InVue's exclusive IR Key™ provides you a storewide single key solution that elevates the in-store experience to improve your profits.

### OnePOD SAVES TIME & MONEY

On installation, remerchandising, maintaining your planogram and nightly removal:

- › Reduces installation time
- › Reduces remerchandising time
- › Reduces cost of maintaining plan-o-gram compliance
- › Reduces time to perform nightly removal and lock up

### OnePOD REDUCES THEFT

Scalable solutions allow you to minimize theft during store hours and after:

- › Easier lock down mechanism
- › Faster nightly removal
- › Robust high security construction
- › New high security arms

### OnePOD PROVIDES INSIGHTFUL ANALYTICS

Software applications enabling you to understand how consumers interact with display merchandise:

- › Insight: know what's on display and gain valuable shopper insight
- › MicroSigns: on device app for cloud-based pricing and content management
- › Access Manager: control internal theft

## OnePOD™ at a glance:

### FEATURES AND BENEFITS

- › Cross-platform compatibility
- › Minimal design aesthetic allows merchandise to be the hero
- › Elevated customer experience
- › Internal audit
